

A-Frame (#1 or #2)

5-Day Rental Fee: \$100

3-Day Rental Fee: \$60

The A-frames are most private from the rest of campus, and most convenient to the parking area. They are wooden, and don't have any natural finishes, but are still quite charming. You'll find just a mattress and some space for your things, and just enough room to stand inside (but you'll have to duck to get through the door!). They don't have electricity, but each includes the use of a provided solar light and battery-powered fan.

Amenities: Queen floor bed, fresh sheets + blankets, NO electricity, solar light, battery-powered fan, close to parking area, private from campus
