5-Day Rental Fee: \$200

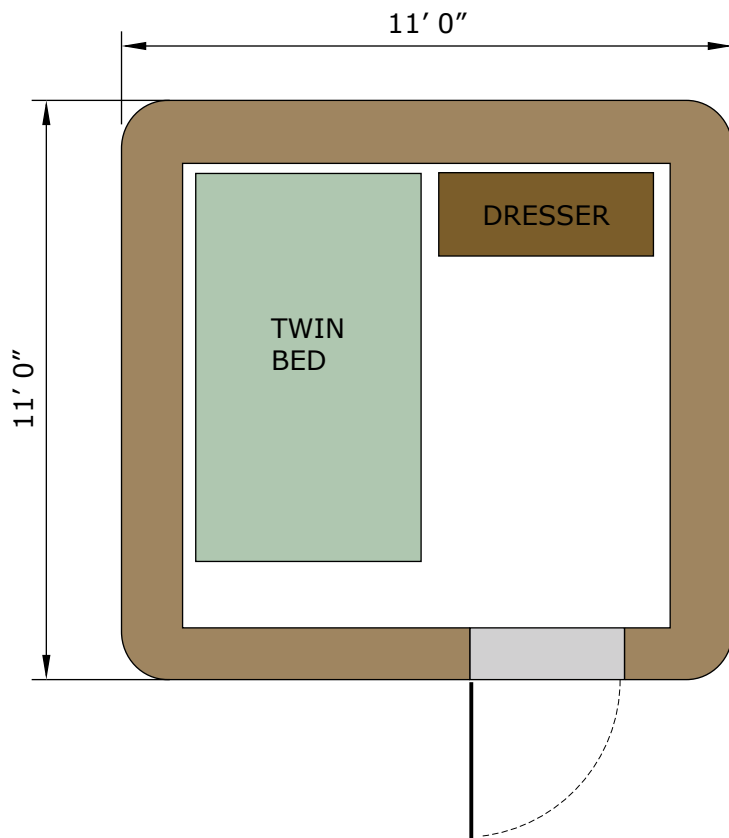

3-Day Rental Fee: \$120

The Heartwood is a simple cottage, with just enough space for a twin bed and a dresser. It is in close proximity to the showers and compost toilet. We love its beautiful clay paints, cozy plaster ceiling, and exposed roundwood rafters.

Amenities: Twin bed, fresh sheets + blankets, electricity, dresser with mirror, close to bathroom + showers

NOTE: photo does not depict dresser, which was added later
