

# Moon Cottage

5-Day Rental Fee: \$300

3-Day Rental Fee: \$180

The Moon is our largest (tiny!) cottage, and has beautiful, colorful interior. It's the only one with a table and chairs inside, and there is enough extra floor space for setting up a cot, or stretching. We have now surrounded it completely with a natural garden wall, and it will ultimately have its own outdoor kitchen, bathroom, shower, and outdoor sitting spaces, but all of that is still in-progress.

Amenities: Queen bed, fresh sheets + blankets, electricity, small table + 2 chairs, window bench, very private (garden wall surround)
